

**Hi, I'm Thomas and this is my dog Tucker.
Come along on our day at Kids Junction!**

Our teacher greets us with a smile.

I Flag

**In circle time, we say the
Pledge of Allegiance to our one flag.**

**At music time, Tucker loves to play
the two drums called the bongos.**

3 Balls

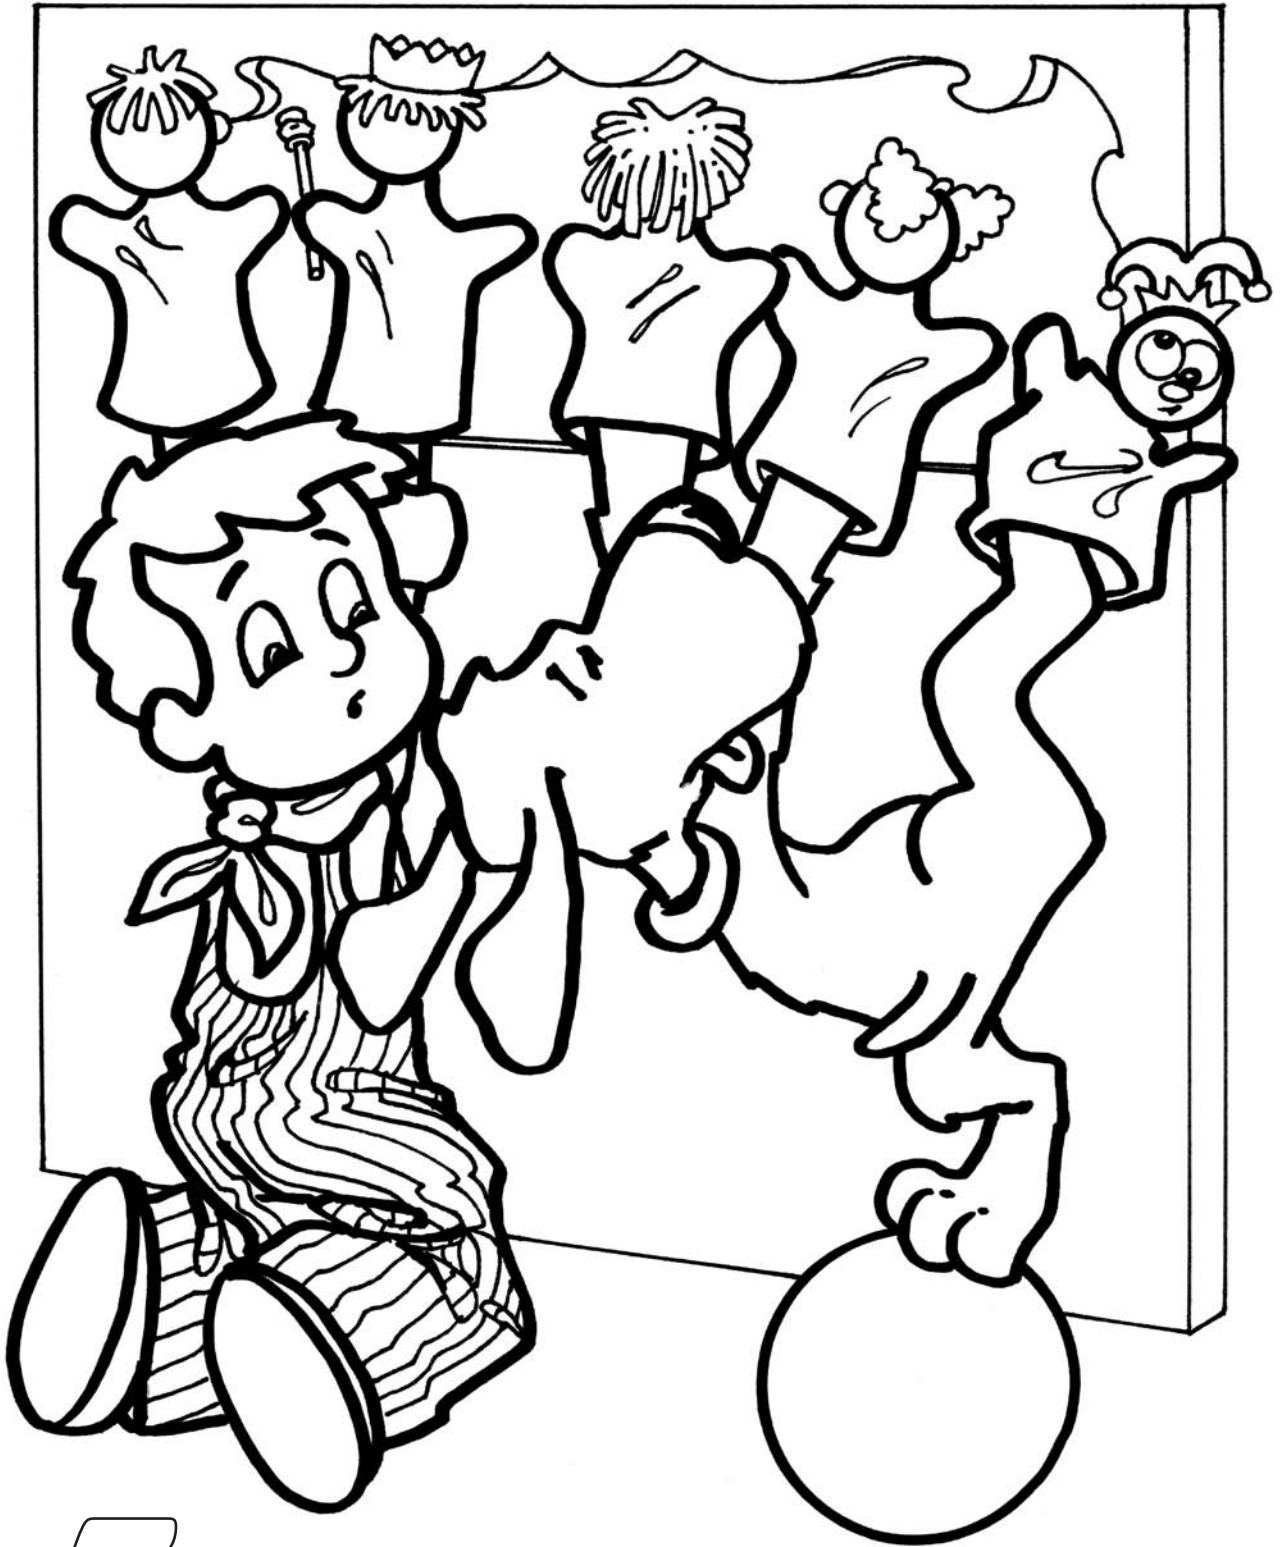

**In the gym, we have fun playing with the balls.
How many balls do you count?**

4 Jars of Paint

**How do you like my painting?
How many jars of paint do I have?**

5 Puppets

**Later, I help Tucker with his puppet show.
How many puppets are in the show?**

**Now, we are going on a field trip. That's Bus driver Bob.
Can you guess where we are going?**

6 Pumpkins

**The pumpkin patch! We get to pick a pumpkin.
How many pumpkins do you count?**

**After our field trip, we ride the bus back to Kids Junction.
Carrying that big pumpkin has made Tucker tired.**

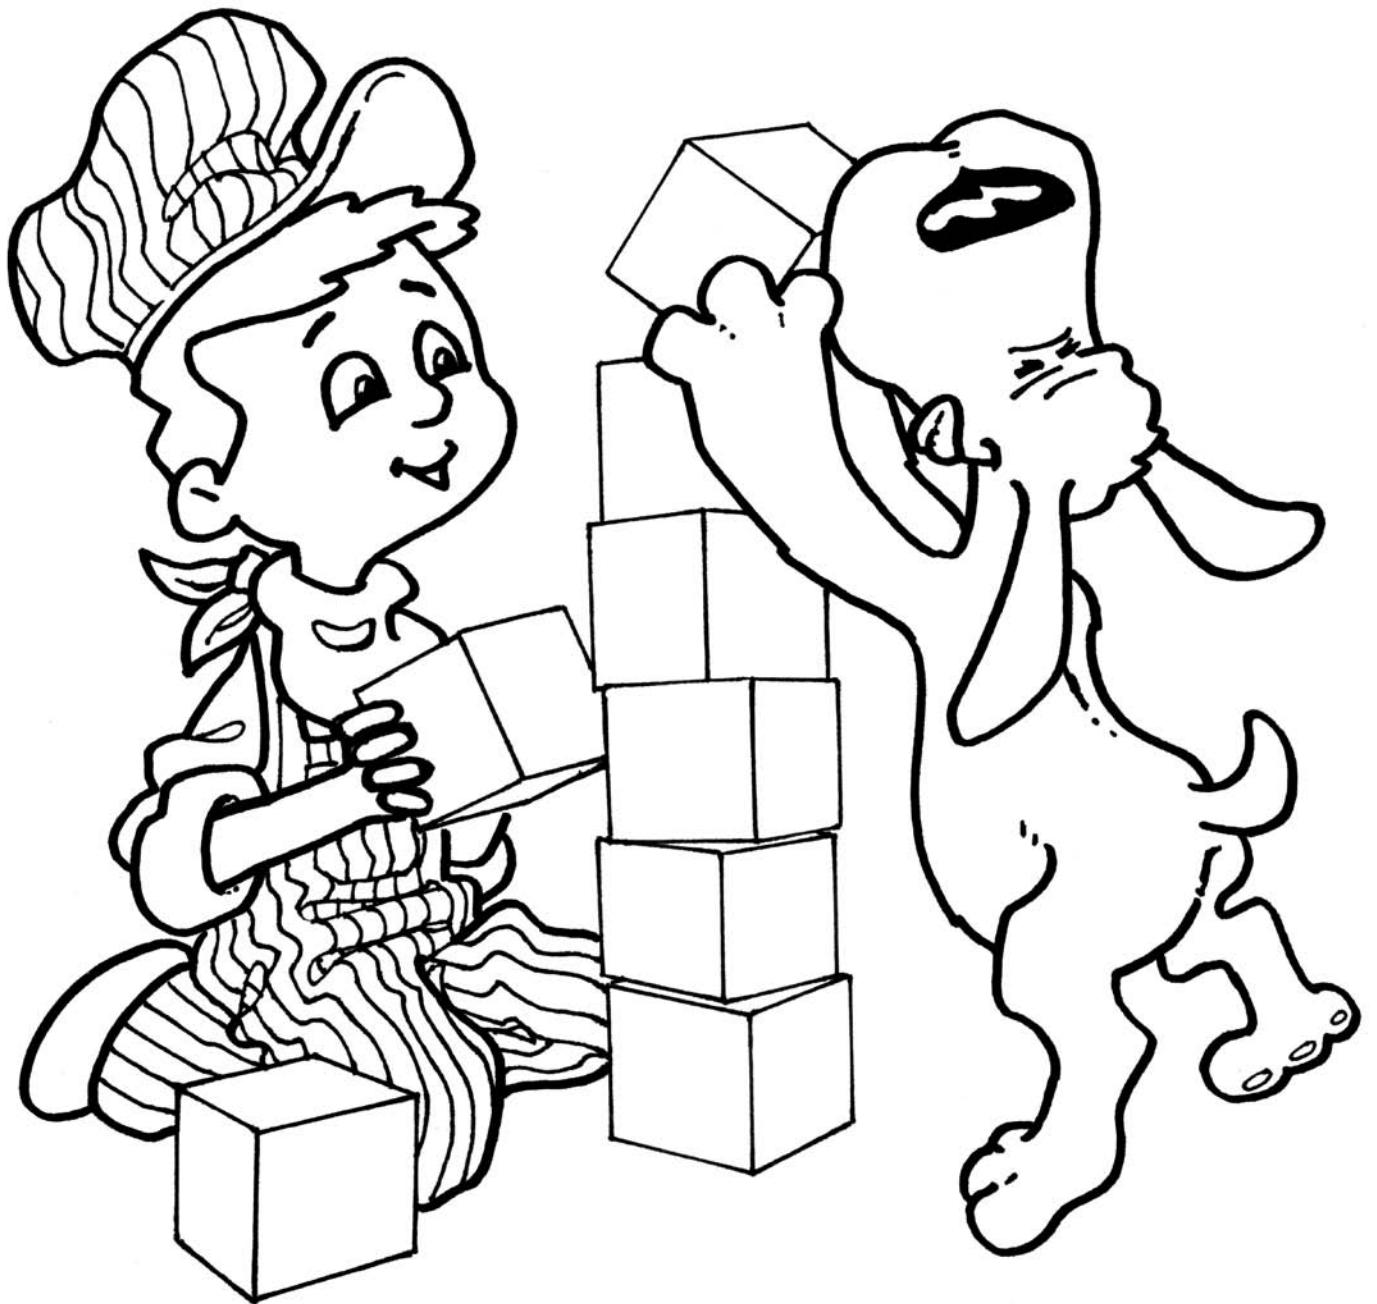

**Before nap time, our teacher reads us a story.
I don't think Tucker can stay up till nap time.**

7 Bunnies

**Tucker is dreaming of rabbits.
How many bunnies are dancing with him in his dream?**

8 Blocks

**When we wake up, we build a tower of blocks.
How many blocks will our tower have?**

9 Flowers

**Now, we are in the Kids Junction playground.
Watering flowers can be hard work.
How many flowers do you see?**

10 Pretzels

Back inside, it's almost the end of our day at Kids Junction and time for a late snack. Help us count our snack. Don't forget to count the pretzel Tucker is looking through.

**It's time to go home.
But, Tucker wants one last hug.**
